Along with being the largest city in Canada, Toronto is also the capital city of the Province of Ontario. Known as one of the safest and cleanest cities in North America, Toronto is, arguably, the cultural, political, and economic center of Canada. The city features many museums, restaurants, night clubs, and a wide variety family friendly activities. Our weekend will focus on the downtown and annual Santa Claus Parade, a fixture in Toronto since 1905. See the parade website at: <http://www.thesantaclausparade.ca>.
